Buy 300F Supercapacitors. Newark Electronics offers fast quotes, same day dispatch, fast delivery, wide inventory, datasheets & technical support.

1pcs 2.7V Super Farad Capacitor 300F/360F/400F/450F/35 * 60 /600F 35 * 70 4-pin High Current Automotive Rectifier Capacitor 35 * 50MM (Size : 2.7V 450F 35X60)

Our R& D staff have more than 15 years experience in super capacitors filed and have rich experience in developing, designing and producing super capacitors. 100% full inspection

Mouser offers inventory, pricing, & datasheets for 300 F Supercapacitors / Ultracapacitors.

The KAMCAP 2.7V 300F Supercapacitor is a high-quality component designed for applications requiring significant energy storage and rapid charge/discharge cycles.

Happy to buy from you again! Exactly as advertised, good value, well packed, prompt delivery. 2.7V 300F KAMCAP. Model:2.7V 300F.
