

Remark: Electrical data in this catalog do not refer to a single module and they are not part of the offer. They only serve for comparison among different module types.

This document provides specifications for HiKu6 Mono PERC solar photovoltaic modules with power ratings ranging from 445W to 465W. It includes details on electrical and mechanical specifications, ...

Unlock premium solar performance with the Canadian Solar 455W Panel. Superior energy output, excellent low-light performance, and robust durability makes it ideal for residential & ...

Made in Germany, the panel features a dual-glass structure that resists microcracks, moisture ingress, and temperature cycling. Withstanding wind loads of up to 5,400 Pa and an IP68 rating, it's ideal for ...

Description Commercial solar panel DES PRO 120ES - M10 SERIES 455Wp Half-Cut Cells High Efficiency PV Module. Highest quality class: designed, engineered, and manufactured in Serbia. ...

Maximum Power Voltage 41.1V Gross weight 25,000 kg Net weight 20,8333 kg Warranty Product warranty 12 years/25 years up to 85% output power

Specifications included in this datasheet are subject to change without notice. The right of final interpretation belongs to Trina Solar Co.,Ltd. STC: Irradiance 1000W/m², Cell Temperature 25°C, ...

Higher Power Output Higher efficiency: 23.3% Lower degradation: 1 year ≤ 1.0%, 2 -30 year ≤ 0.35% Better temperature coefficient: -0.26%/°C

Aiko Solar's AK-A455-MAH54Db-BK is a Glass-Glass/All Black N-type ABC solar panel with a capacity of 455 watt-peak. This panel features 2.0mm semi-tempered glass with anti-reflection coating and is ...

Description Commercial solar panel DES PRO 120ES - M10 SERIES 455Wp ...

First Choice Solar BV Solar Panel Series 455WP FCSP455WBS-144N166 (PT). Detailed profile including pictures, certification details and manufacturer PDF.
