Calculate the right UPS size for your electrical load with our IEC-based UPS sizing calculator. Ensure optimal power backup and efficiency.

We would like to show you a description here but the site won't allow us.

How The Ups Selector WorksDoes The Ups Selector Recommend The Lowest Cost Solution?Why Does The Ups Selector Suggest A Longer Runtime Than What I Asked for?The APC UPS Selector attempts to provide you with the most economical solution when there are multiple devices that match your requirements. It provides you with as many suitable options as it can, some of which may offer slightly more features, power, or runtime than you stated in your requirements, bumping up the price of some model options.
