

# **Baku communication tower foundation laid**

After the independence of our country, on the basis of the relevant instructions of the National Leader Heydar Aliyev, unfinished construction was completed and Baku TV Tower Complex was put into operation.

Today marks the 40th anniversary of the designing and 25th anniversary of the commissioning of the Baku TV Tower Complex. The first 180-meter TV tower, commissioned in 1956, was assembled from ...

It was founded in 1936 in Baku and in 1943 was named after Rustam Mustafayev, a prominent Azerbaijani scenic designer and theater artist. Azerbaijan National Museum of Art is situated 1&#189; km northeast of Baku ...

Azerbaijan Television Tower supports the development of the country's telecommunications network and adaptation to modern standards. Its construction paralleled Azerbaijan's path to independence.

The TV tower was designed on the basis of the decision of the Council of Ministers of the USSR after the order from the Ministry of Communications of Azerbaijan State Institute of the Ministry of Communications of the ...

For this reason, the Baku TV Tower Complex was designed and construction began in 1981. According to the project, the construction work was to be completed in 1985.

At the time of the opening of the TV tower, it was one of the most important steps taken in the direction of the development of radio and television broadcasting in Azerbaijan.
