

At The smarter E 2025, HiTHIUM launched the ?Power 6.25 MWh 2-hour/4-hour BESS solutions, which are expected to achieve mass production in the second half of 2025.

BESS-focused lithium-ion manufacturer Hithium also revealed a new BESS, a 6.25MWh product which can be configured in either 2-hour or 4-hour durations designed specifically for the ...

The ?Power 6.25MWh 2h/4h BESS EU Version is a customized solution by HiTHIUM, designed to meet Europe's increasing demand for long-duration energy storage. The system ...

The ?Power 6.25MWh system boasts a projected lifespan of up to 25 years, incorporating advanced safety features like thermal propagation prevention and enhanced cybersecurity measures through ...

With long-duration battery energy storage systems (BESS) becoming increasingly important in Europe for stabilizing energy supply and improving system economics, Hithium's new ...

Hithium released the European version of the ?Power 6.25MWh energy storage system and reached a cooperation with Spain's GCRPV to accelerate the layout of localized manufacturing ...

Hithium launches EU-focused 6.25MWh BESS with 25-year lifespan and partners with Spain's GCRPV to accelerate Europe-based energy storage production.
