

Shelving Racks - Storage Shelving For Every Application  
 Pallet Racking - The Standard For Large Load Carriers  
 Cantilever Racking - For Storage and Long Goods  
 Wide-Span Shelving - Efficient Storage of Bulky Goods  
 Ideal for long or bulky items, cantilever racking features vertical uprights with horizontal arms for free item storage. It handles heavy loads with robust steel arms and uprights. Available in single or double-sided configurations, adjustable for different heights and load requirements. See more on ssi-schaefer.
