

Ideal as a solar-powered cold storage container for frozen meat, poultry, fish, and processed foods, the unit maintains consistent sub-zero temperatures during transit or temporary warehousing.

Their core solar technology is engineered to withstand the harshest Australian remote environments--ensuring reliable performance anytime, anywhere in the world.

Extreme-temperature process totes and lids withstand large fluctuations and differentials in temperature. They store and cover hot items during transport from a production line.

Thanks to foldable solar arrays, the container is rapidly deployable -- operating within hours to support power needs across diverse scenarios. Built for longevity, the SolaraBox solar container is built to ...

Rand PV ensures you have the best temperature resistant solar powered PV distribution boxes to meet or exceed your specific needs and requirements.

Discover heavy-duty fiberglass containers and trays from Flexcon. Built to be temperature resistant for freezers, autoclaves, and other harsh environments.

Ideal for temporary power, remote locations, or emergency backup, these all-in-one solutions combine high-efficiency solar generation with integrated storage for rapid deployment in construction, events, ...

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail system and no ...

Our industry-grade modular freezer maintains an internal temperature of -18°C, making it ideal for last-mile delivery, remote communities, and food or medical storage. It can also be custom-built for ...

Constructed from high-grade, heat-resistant materials, it ensures safety and durability while maintaining integrity under stress. The container's robust design includes features such as reinforced walls and ...

Ideal as a solar-powered cold storage container for frozen meat, poultry, fish, and processed foods, the unit maintains consistent sub-zero temperatures during transit or temporary ...
