

Long-life Foldable Containers for Data Centers

Built using ISO shipping containers, these rugged and portable units are ideal for edge deployments, disaster recovery, or environments with limited space. Containerized builds are cost-efficient, fast to ...

These containers are ideal for applications with high-weight, low-volume requirements. Browse our full line of fixed wall bulk containers, available in multiple heights and footprints.

With our modular container system, you will always find the right solution for your application. Modular container-housed data centers offer the perfect and scalable solution, whether ...

Enhance your logistics operations with our folding large containers for non-palletizable loads. These durable and sustainable containers consist of a base, sleeve, and lid, and offer high folding rates to ...

Following the growing applications for edge computing, Delta is introducing a new generation of Containerized Data Center Solutions with flexible power and cooling designs, quick deployment and ...

Container data centers have emerged as an innovative solution, where pre-fabricated, self-contained units house IT equipment, providing a secure, efficient, and scalable environment for data processing ...

Constructed from industrial-strength aluminum, engineered for multiple uses and long field life to maximize ROI. Simple closing instructions provided. No need for messy packing materials.

By bypassing the need to transport empty containers to a dedicated folding facility and instead folding and bundling them on-site, SKLADX achieves significant cost savings. The cost savings persist ...

Mission Critical Facilities International stays one step ahead of technology by providing data center container solutions that deploy quickly, are easily expandable, and can move at a moment's notice.

Our modular containers are designed to support the unique needs of data centers, offering flexibility and security in a range of sizes. Whether you need temporary office spaces, secure storage units, or ...
