

Micro solar power generation system for solar container communication stations

BoxPower's flagship SolarContainer is a fully integrated microgrid-in-a-box that combines solar PV, battery storage, and intelligent inverters, with optional backup generation.

The system incorporates solar PV, batteries, inverters and a backup generator to power the clinic, water treatment using ultrafilters and ultraviolet, and surrounding structures and public lighting.

We guarantee your satisfaction on every product we sell with a full refund in accordance with our return policy - no receipt needed if you have a Micro Center Insider Account.
