

With an experienced R& D team, we are able to design and manufacture solar power pods with superior performance and cost-effectiveness according to the specific needs of our customers.

Shanghai LZY Energy Storage Co., Ltd. founded in 2012 and headquartered in Shanghai, China, is a comprehensive enterprise integrating R& D, production, and sales, driven by technological ...

Shuangdeng presents its 20-foot 5.015MWh liquid-cooled container energy, offering cost savings, reduced footprint, and improved performance. With enhanced safety features and intelligent ...

A versatile mobile solar PV container offering plug-and-play green energy solutions with modular design, high-efficiency panels, and global mobility for off-grid and emergency power needs.

Shuang Yi Li (Tianjin) New Energy Co., Ltd., located in Tianjin Economic Development District, is a hi-tech Lithium battery manufacture enterprise, which is joint invested by Dai-Ichi Kogyo Seiyaku Co., ...

Established in 2012 and operating from Shanghai, China, Shanghai LZY Energy Storage Co., Ltd. is a scientific and technological innovative enterprise committed to mobile solar container solutions and ...

Since 1982, the more than 40 years history of endeavor and constant improvements has transformed Shuangliang from an air conditioning equipment manufacture to a conglomerate maintaining ...

Shuangyili Energy Storage has extensive project experience in large-scale energy storage applications such as smoothing renewable energy power generation and grid-side peak and frequency regulation ...

GCL System Integration Technology strives to be the world's leading integrator of comprehensive energy systems.

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes.
