

Who makes airport furniture?

As a leading airport furniture supplier, AGATI designs and manufactures all types of aviation furniture. From regional airports to the busiest international airports, AGATI works closely with architects, facility managers and planners to engineer and design public space furniture that exceeds quality standards and traveler expectations.

What is an emergency storage cabinet?

The storage cabinet is designed to securely store various emergency rescue equipment and personal protective equipment, ensuring quick access in emergency situations.

How should a personal protective equipment cabinet be stored?

Regularly inspect the condition of the personal protective equipment cabinet to ensure that it is intact and suitable for use. It should be stored in a dry and well ventilated environment to avoid moisture or extreme temperature effects. [Want to Get More Details About Metal Safety Cabinets?](#)
