

Do you need a solar power agreement?

These agreements can be related to a solar power lease, PPA, or outright buying of the system. Whenever developing alternate forms of power, it's good to have an agreement with your Provider. This ensures everyone is clear on their roles and responsibilities.

Who is responsible for obtaining a solar system approval?

**NOTICE:** You are solely responsible for obtaining at Your sole cost and expense, at least thirty (30) days prior to installation of the Solar System, any approvals to install the Solar System that may be required by any HOA to which the Property is subject.

Can a provider sell a photovoltaic system to a customer?

WHEREAS, Provider has offered, at his sole cost and expense, to install, maintain, own, replace, repair, and operate a photovoltaic system at one or more of the Property (ies) and to sell Solar Services (as hereafter defined) produced by the solar photovoltaic system to Customer as provided in and subject to the provisions of this Agreement.
